

Cyber Team

W+K has a dedicated 15-strong team of cyber specialists across Australia and New Zealand.

We regularly assist clients to act as breach coach and first responders for their customers via our dedicated incident helpline, providing cyber policy and coverage advice, compliance with privacy laws and compulsory notification requirements, and assisting with pre-emptive procedures and response plans.

We have the flexibility to respond to any type of breach from the loss of a single file to the targeted theft of thousands of electronic personal data records by hackers.

Through our *Legalign Global* alliance with best in region insurance firms with dedicated cyber teams, we can effectively manage global responses.
